## INTRODUCTION TO MARTYNS LAW LEVEL 2 (VTQ)

POWERED BY PROTRAININGS

Martyn's Law is a crucial piece of legislation introduced by the UK Government to bolster the country's defences against terrorism. Named after Martyn Hett, a victim of the Manchester Arena attack, this law aims to improve security measures in public venues and spaces. By requiring training and preparedness plans, Martyn's Law strives to better protect communities and create a safer environment for all.

This Martyn's Law Level 2 (VTQ) course offers an in-depth understanding of the upcoming Martyn's Law legislation, aimed at enhancing security measures in public venues. Delivered as an online video e-learning course, it includes 2 hours of CPD certification, on-demand video training, and a printable certificate. The course covers comprehensive security protocols, risk assessments, and the development of preparedness plans, making it essential for venue operators and staff to ensure compliance and improve public safety against terrorism.

All our courses, including this one, have received independent certification confirming their alignment with universally accepted Continuous Professional Development (CPD) guidelines. Upon completion, participants receive a Certified CPD Statement, a ProTrainings Certificate, and for online courses, an Evidence-Based Learning statement.
