

# DataSheet

Market-leading Commander® has something new to offer – CommanderEDGE. BS EN3 Kitemark approved across the range, this range has become the choice of the professional, with a reassuring mixture of performance, quality and value. The range includes Water, Foam, CO<sub>2</sub> and Powder models and offers solutions for almost all situations. The internationally-recognised BS Kitemark is assurance of dependable design and manufacture.

## COMMANDEREDGE

### CO<sub>2</sub> FIRE EXTINGUISHERS

These premium CO<sub>2</sub> units are amongst the finest available today. With aluminium 'squat' bodies, they combine superior aesthetics with light weight for ease of handling.

Suitable for both electrical and flammable liquid fires, CO<sub>2</sub> is non-damaging to electrical equipment and machinery. The 5kg model comes with an 89B fire rating – probably the highest available in the UK. Supplied with non-conductive discharge horns/hose & horn assemblies.
