

Slips, Trips and Falls Level 2 (VTQ)

QUALIFICATION SPECIFICATION

QUALIFICATION NUMBER: PRO/100/STFL2

This Qualification is Endorsed by an Awarding Organisation Regulated by Ofqual

Endorsed, CPD Certified and ISO Standards

All ProTrainings classroom and online qualifications are endorsed through an Awarding Organisation Regulated by Ofqual, through the Skills for Care Scheme with the highest level of recognition and are approved through the CPD Standards services for CPD certification.

ProTrainings: Additional quality at an affordable price.

This is the highest standard of recognised endorsement and only organisations who have a proven history of continued success in making a difference in the training industry can be awarded the Centre of Excellence endorsement. ProTrainings proudly announce that we have received this endorsement for continuous professional training delivery.

As a recognised Skills for Care provider who is already endorsed for delivering training through digital e-learning, classroom and blended formats, this enhanced Centre of Excellence endorsement will take our credibility and quality of training to an advanced state of recognition. But what does this new Centre of Excellence endorsement mean?

The Centre of Excellence status means that we have been able to consistently demonstrate exemplary commitment to meeting the needs of learners in the adult social care sector. This meant we needed to comply with the social model of care and be able to measure the impact of provision on the lives of people who use these services.

We embarked on this provision to prove how consistent ProTrainings services are, to test whether we are meeting a high standard, to evolve, adapt and improve our provision and to place ourselves amongst a small selection of companies who are a Skills for Care Centre of Excellence.

Gaining this accolade has resulted in receiving a designation as a 'Centre of Excellence in Adult Social Care and Learning and Development' and we do not plan on stopping our standards here. We will continue to offer the finest services so that lives are rewarded through the training and services we provide.

Introduction

Welcome to **ProTrainings Europe Limited**.

ProTrainings EU is a certifying organisation recognised for providing training and qualifications in England, UK and across the globe.

ProTrainings EU offer qualifications designed in-house and qualifications which are regulated by Ofqual through TQUK and FutureQuals. Our qualifications are carefully designed to meet industry standards and regulatory requirements giving every learner or user confidence that training meets HSE, Ofqual, UK & EU Resuscitation Council, Skills for Health, Ofsted and Skills for Care training standards.

Our unique approach to training delivery is designed to accommodate learning styles in all their forms, including online, classroom and blended formats. Our variety of delivery methods have been a preferred choice for many learners who require training through general interest and as part of their profession. Our training has been comprehensively designed to meet standards that fall within the boundaries of qualifications overseen by awarding organisations.

ProTrainings high standards include a robust training approach that meets strict specifications, quality assurance requirements and qualification standards. As a result of implementing a comprehensive quality assurance process, ProTrainings online and classroom courses have been CPD certified, endorsed through The Skills for Care Scheme (ProTrainings being the first organisation gaining approval for classroom and online training in the United Kingdom) and we have surpassed an external audit by being approved for ISO45001 : 2018 and ISO9001 : 2015 for maintaining high organisational standards.

Our qualifications are designed to support and encourage learners to develop their knowledge and skills. This development may result in progression into employment or career development in the workplace. Our qualifications also allow learners to progress onto further qualifications.

For more information please visit www.ProTrainings.uk for news, updates and information on a variety of qualifications spanning into the Health & Safety industry, First Aid world, Pet First Aid environment and Health & Social Care sector.

Qualifications Specifications

ProTrainings EU offer policies and guidelines for centres, organisations and individuals through this specification. Information in this specification will include the course curriculum, learning outcomes, units and general guidelines on how the course is delivered.

We aim to support our centres by providing guidance in this specification for a better understanding on how our courses are delivered and processed.

Our specifications document can be accessed on our website at www.ProTrainings.uk along with other specifications for respective qualifications listed under each sub-heading.

Introduction to Slip, Trips and Falls Level 2 (VTQ)

Slip, Trips and Falls training are required in most workplaces to identify where employees can get hurt. Understanding the risks of these easy to identify problems will result in less un-necessary injuries at work. This course is ideal for any workplace as the risks can be applied to any environment.

This course will cover regulations and the law, employer responsibilities, workplace policies, safe working, slip hazards, trip hazards, injuries, prevention of accidents, reporting and correct handling.

An online E-learning option is available for learners who are unable to attend a classroom session.

ProTrainings Europe is proud supporters of Backcare who aim to significantly reduce the burden of back pain by providing information and advice to all people and organisations affected by back pain.

The content of this and all our courses has been independently certified as conforming to universally accepted Continuous Professional Development (CPD) guidelines and come with a Certified CPD Statement as well as a ProTrainings Certificate and for online courses an Evidence-Based Learning statement.
