

## INTRODUCTION TO HEARTSINE LEVEL 2 (VTQ)

POWERED BY PROTRAININGS

The HeartSine AED units are simple and effective AED units for all applications. This course is specially designed for training in the use of HeartSine AED units. It covers everything from unpacking the AED to how to use it in the emergency treatment of a sudden cardiac arrest.

The HeartSine Samaritan 350P Defibrillator has all the features of the 500P Defibrillator except for the CPR advisor technology.

All our courses, including this one, have received independent certification confirming their alignment with universally accepted Continuous Professional Development (CPD) guidelines. Upon completion, participants receive a Certified CPD Statement, a ProTrainings Certificate, and for online courses, an Evidence-Based Learning statement.

## QUALIFICATION DELIVERY

**Online Video E-Learning:** Contains pre-recorded video neatly collated into a presentable online course that includes a save and return feature, stop and start button, English subtitles and some additional features.

Our online HeartSine AED Level 2 (VTQ) course is taught over **2 hours and 16 minutes** and will include theoretical assessments if you complete the online option and may include practical and theoretical assessments if this is completed in a classroom.

## CERTIFICATION

Upon successful completion of the course, all participants will receive an officially verifiable wall certificate. This digital certificate can be conveniently accessed and downloaded at the course's conclusion. It serves as tangible evidence of your achievement, reflecting your dedication and knowledge acquired throughout the course. Display it with pride to showcase your newfound expertise to peers and potential employers, as a testament to your commitment to continuous learning and personal growth.

## LEARNER ACCESS

ProTrainings offer highly sophisticated and supportive services to successful learners who complete online, classroom and blended training. Our online system offers the learner a uniquely designed portal where there is access to a free student manual, CPD credit statement, evidence-based learning document, optional weekly refresher videos and an area for downloadable content with a cohort of supporting evidence relevant to the qualification the learner completes.

ProTrainings after service adds clarity to teaching, promotes continuous learning and encourages learners to revisit and revise subjects they have been taught.
