INTRODUCTION TO SLIPS, TRIPS AND FALLS IN CONSTRUCTION LEVEL 2 (VTQ)

Slip, Trips and Falls in construction training are required in most workplaces to identify where employees can get hurt. Understanding the risks of these easy to identify problems will result in less unnecessary injuries at work. This course is ideal for any workplace as the risks can be applied to any environment.

ProTrainings Europe is proud supporters of Backcare who aim to significantly reduce the burden of back pain by providing information and advice to all people and organisations affected by back pain.

All our courses, including this one, have received independent certification confirming their alignment with universally accepted Continuous Professional Development (CPD) guidelines. Upon completion, participants receive a Certified CPD Statement, a ProTrainings Certificate, and for online courses, an Evidence-Based Learning statement.

QUALIFICATION DELIVERY

Online Video E-Learning: Contains pre-recorded video neatly collated into a presentable online course that includes a save and return feature, stop and start button, English subtitles and some additional features.

Our online Slips, Trips and Falls in Construction Level 2 (VTQ) course is taught over **25 minutes** and will include theoretical assessments if you complete the online option and may include practical and theoretical assessments if this is completed in a classroom.

CERTIFICATION

Upon successful completion of the course, all participants will receive an officially verifiable wall certificate. This digital certificate can be conveniently accessed and downloaded at the course's conclusion. It serves as tangible evidence of your achievement, reflecting your dedication and knowledge acquired throughout the course. Display it with pride to showcase your newfound expertise to peers and potential employers, as a testament to your commitment to continuous learning and personal growth.

LEARNER ACCESS

ProTrainings offer highly sophisticated and supportive services to successful learners who complete online, classroom and blended training. Our online system offers the learner a uniquely designed portal where there is access to a free student manual, CPD credit statement, evidence-based learning document, optional weekly refresher videos and an area for downloadable content with a cohort of supporting evidence relevant to the qualification the learner completes.

ProTrainings after service adds clarity to teaching, promotes continuous learning and encourages learners to revisit and revise subjects they have been taught.
