

# BASIC INFECTION CONTROL LEVEL 1 (VTQ)

PROTRAININGS  
E-LEARNING

## INTRODUCTION TO BASIC INFECTION CONTROL LEVEL 1 (VTQ)

This basic infection control course is designed for people who do not work in the healthcare sector but are still at risk from coming into contact with body fluid that could pose a risk. There are many businesses, occupations, schools and hobbies, that could put people at risk of contracting an infection.

The course covers many different subjects from the types of infection, workplace practices, personal protective equipment (PPE) and other relevant subjects all in an easy to watch and understand video format.

All of this is presented in an easily understandable video format. We are committed to ensuring the course remains current and relevant, with updated videos incorporating the latest Coronavirus COVID-19 guidelines. Furthermore, learners can access these updates even after completing the course to stay informed.

## QUALIFICATION DELIVERY

**Online Video E-Learning:** Contains pre-recorded video neatly collated into a presentable online course that includes a save and return feature, stop and start button, English subtitles and some additional features.

Our online Basic Infection Control Level 1 (VTQ) course is taught over 1 hour and 44 minutes and will include theoretical assessments if you complete the online option and may include practical and theoretical assessments if this is completed in a classroom.

## CERTIFICATION

Upon successful completion of the course, all participants will receive an officially verifiable wall certificate. This digital certificate can be conveniently accessed and downloaded at the course's conclusion. It serves as tangible evidence of your achievement, reflecting your dedication and knowledge acquired throughout the course. Display it with pride to showcase your newfound expertise to peers and potential employers, as a testament to your commitment to continuous learning and personal growth.

## LEARNER ACCESS

ProTrainings offer highly sophisticated and supportive services to successful learners who complete online, classroom and blended training. Our online system offers the learner a uniquely designed portal where there is access to a free student manual, CPD credit statement, evidence-based learning document, optional weekly refresher videos and an area for downloadable content with a cohort of supporting evidence relevant to the qualification the learner completes.

ProTrainings after service adds clarity to teaching, promotes continuous learning and encourages learners to revisit and revise subjects they have been taught.
