 - LEVER RTD
 - DIAMETER : 18mm, 19mm, 20mm, 21mm, or 22mm
 - LENGTH : any size between 110mm to 140mm

Benefits

- Proven in the lab to kill 99.9%1 of bacteria, using silver technology embedded into handle surface (independently tested to ISO 22196).
- Proven in the field to be 96.4%2 cleaner than standard door handles (independently tested).
- Simply clipped over existing lever door handles, the Purehold LEVER can be fitted in less than 30 seconds and requires no tools or experience.
- No chemicals or poisons – simply harmless silver ions.
- Can help improve hygiene & reduce costly staff sickness & disruption - annual cost of a handle is less than the cost of even a single days' basic salary at the Minimum Wage Rate.
- Lasts 6 months once fitted, with timestrip indicator to prompt replacement when needed.
- Extremely robust and sturdy, with no maintenance required.
- Stylish look to complement your existing door handles.
- Can be recycled

Installation

Please identify which type of door handles you have at your site (i.e. Straight or RTD) and then order the appropriate Purehold LEVER.

Can be easily retrofitted onto your existing door in under 30 seconds using no tools. [CLICK HERE](#) for installation instructional video.
