Get Ready For Summer with NBB Recycled Furniture!

GREAT NEWS! We have amazing updates to share with you in this latest issue, starting with the fantastic news that we continue to offer **FREE Express Delivery** on an expanded range of products. Customer favourites such as the Standard Picnic Table (see page 5), stylish Winawood benches and tables (see pages 30-31 and 34), and parasols (see page 49) – the ultimate summer necessity – are all in stock **NOW** and available for delivery within a week of ordering. Don't miss out on the perfect opportunity to get your premises summer ready, today!

In addition, look out for huge price drops across best-selling picnic tables and benches. The best-selling Large Picnic Table (see page 9) has been **reduced by up to £65**, whilst the customer favourite Octagonal Picnic Table (see page 7) has an incredible **£145 off!**

Finally, with the celebrations of His Majesty King Charles III's coronation in full swing, we continue to see increased demand in our exclusive Coronation Editions of our best-selling tables and benches (see pages 20-21). Each item features a unique combination of grey undercarriage and royal blue seats/tabletops, in tribute to His Majesty, and are delivered **FREE** within just 2 weeks of order. There's still time to get yours and celebrate the historic coronation year before stocks run out.

We look forward to hearing from you and hope you have a fabulous summer!

We've Recycled Over 120 Million Plastic Bottles!

Our eco-friendly recycled plastic furniture range can help save 1,000's of milk bottles from entering landfill. In fact, 1kg of material is derived from 28 2-litre HDPE milk bottles.

We are extremely proud that sales of our products have recycled over 120 million bottles so far!

Once Around the World in Length...

...or 357 London Buses in Weight...

...or 96 Olympic Swimming Pools in Volume!

Why Choose Recycled?

The Features and Benefits

The benefits of recycled plastic significantly outweigh traditional timber. Considering both financial and environmental factors, recycled plastic is considerably superior to its timber or metal equivalents.

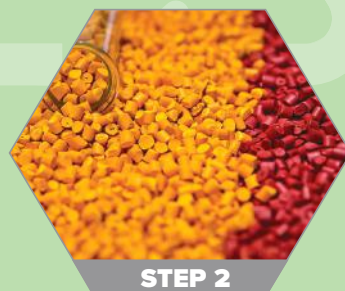

As we all know, the amount of plastic waste each year is staggering, and our eco-friendly recycled plastic furniture range can help save thousands of milk bottles from entering landfill.

We manufacture all our products from 100% Recycled High-Density Polyethylene (HDPE), typically used to manufacture everyday products such as water bottles, plastic bags, and bottle lids. When recycled, it is an extremely hardwearing, versatile material, making it a perfect choice for all-weather outdoor furniture. It has a significantly lower carbon footprint than timber or metal equivalents, using less energy and water and emitting lower levels of CO₂ in its production.

STEP 1

High-Density Polyethylene (HDPE) plastic bottles destined for landfill are collected

STEP 2

The recycled plastic is broken down into granules at the reprocessor where it has been washed and cleaned

STEP 3

The broken down granules are transformed into our strong and robust recycled plastic furniture
